

Pre-proposal Template

The First Open Call for ESMERA Experiments

This template is for pre-proposal submission in response to the First Open Call for ESMERA Experiments (ESMERA-FOCE).

The pre-proposal should summarize the aims of the proposed project describing how it would solve the ESMERA-FOCE challenges described in <http://www.esmera-project.eu/challenges>.

The pre-proposal must be submitted:

- A single PDF file written in English,
- Via <http://opencalls.esmera-project.eu/forms/16/overview>
- before 19.10.2018

The pre-proposal should not exceed 1 page (font Times New Roman 11pt, line spacing single, paragraph spacing 6pt before and after, A4 page size, Top & Bottom margins 1.5, Left & Right margins 2.5).

Pre-proposal Name

Acronym

Proposing Partner Organisation Name¹:

Partner Organisation Short Name:

Proposing Partner Organisation address:

Country:

Name of the contact person:

Contact person email:

Please select the field and the challenge number. The challenge definition of each challenge and their challenge IDs can be found in <http://www.esmera-project.eu/challenges>.

Area	Field	Challenge	Selection (<input type="checkbox"/>)
Energy	Gas & Oil	ESMERA-E.1	<input type="checkbox"/>
	Nuclear, Electricity Generation, Energy Transmission	ESMERA-E.2	<input type="checkbox"/>
