

# Brokerage Day Invitation

---

## When

September 17th 2019, 10 a.m. - 3 p.m.

---

## Where

The Valley Digital Business School, Madrid

---

## Who

Interested European SMEs working in robotics, technology, AI, as well as academia and industry interested in forming a consortium with SMEs

---

## What

Information about how to participate, get funding, mentoring and business support in developing a robotics solution and bring it to the market.

---

## Why

On September 1st, ESMERA opens a call providing specific industrial end-user challenges that look for a robotics solution. SMEs and consortia with SMEs can apply to solve these challenges and receive up to 200.000 euros of funding.

---

## How

Attendance of the brokerage day is free, but registration is needed using the following link:
